PARTY GAMES

Dear *Mayfair*,

My girlfriend Anita and I have always liked to push the boundaries when it comes to fucking and I have been lucky enough to fulfil many of my fantasies over the last two years.

One of our favourite pastimes is to attend a monthly sex party that a couple we know like to organise at a house out in the country.

Watching Anita being screwed by another bloke or seeing her licking out some dolled up babe's fanny while I stuff my dick in and out of the stranger's mouth is the horniest thing in the world.

Last month's party was the best so far, as there were eight other couples and it got really wild, really quickly.

All the women at these events go to town on dressing up, and as a lover of sexy lingerie and kinky gear my cock gets hard as soon as I walk through the door just looking at all the sexy goodies on offer.

I always stay with Anita until she has paired up with someone she fancies, and it only took a few minutes before she was snogging this hunky Mediterranean guy's face off while he groped up her skintight mini-skirt. I helped him out at first by easing Anita's big firm tits out of her bustier and sucking on the already hard nipples as our new friend began fingering Anita's naked pussy. Anita comes easily and I'm not sure what this man did

but he had her groaning and moaning almost immediately. And by the way my girlfriend's stockings thighs were trembling, I knew she would be climaxing all over his fingers in seconds.

I was just deciding whether to send her over the edge by tickling her puckered little bumhole with my tongue, when I felt a hand close around my rigid prick that was still painfully restrained inside my trousers. Turning, I saw this gorgeous

COR – TINA!

Dear *Mayfair*,

I Was delighted to see you've finally woken up to the charms of Tina Kay in your latest issue! What a stunning set of pictures, featuring this super sexy young woman in all her glory. She looked exquisite in that lingerie set, which framed her beauty and her gloriously shaven pussy to perfection – a pussy which reminded me a little of a *Mayfair* favourite of yesteryear Gilena Hooton. A cracking set of a cracking model, who I feel sure will go on to become a firm *Mayfair* favourite herself.

Eddie, Winchester.

Hmm, yes, there definitely is something of Gilena's famed fanny about Tina's – well spotted! – Ed.

THE MASS DEBATE RAGES!

Dear *Mayfair*,

Thank you for extending the invitation for comments on Duncan's letter in 53.02 followed by Rob's letter in 53.04 on what I would describe as the 'Mayfair Master Debate' on the subject of the levels that models perform at.

As a very long-standing reader of *Mayfair* I have no complaints about its quality, content and model-screening process, and I thought it a little unfair to single out both Nicole and Suzi for not being as revealing as they might have been. Both are beautiful girls and I hope that they both return to *Mayfair* before long at levels of their own choosing (especially Suzi, who has a stunning face, a beautiful lithe body with pert tits and a firm bottom and is surely every man's dream on several levels, and whose pictures I have returned to again and again for a bit of stimulation!).

There is a three-way relationship here: 1. The product – *Mayfair*. 2. The Models, and 3. The Readers. If there is any disconnect between any of these then everything will come to an end. Models have got to be treated with respect, and they also need time and space for their careers to develop and the last thing they need is any undue pressure. Readers should remember some of the now regular girls like Emma Green, Penny Lee, Holly Gibbons and Kerry Lee who all started modeling in *Mayfair* at pretty soft levels but with each subsequent set, as their confidence grew, their poses became more daring and the gaps between their legs gradually widened! None of these girls would have survived if *Mayfair* had adopted a hard-line approach. In addition to the aforementioned girls, others like Jamie (52.09), Lauren (52.10) and Charlie (52.13) are as near to offering the full-on display as hardly matters.

Extreme feminists are driving a killjoy agenda at the moment, telling girls they are being oppressed by posing in men's mags, but in fact the opposite is the case – the models are the ones calling the shots with men like me just putty in their hands, and long may it last!

Mick, Co. Meath.

Many thanks for your thoughtful letter, Mick – and to everyone else who's written in on this subject. Needless to say opinions are divided somewhat, but we shall strive to steer a course between the two stools that serves the interests of the models and the readers as much as we possibly can! – Ed.

blonde, who, although the wrong side of 40, looked incredibly fuckable.

MILFs have never really been my thing, but in her tightly laced corset and suspenders she was definitely going to get some of my attention.

As she unzipped me and pulled my dick from my pants, I kissed her on the mouth, slipping my tongue between her lips while keeping one eye on Anita's dirty display beside me. She also had a cock in her hand and looked me straight in the eye just as she pushed the end of it into her mouth. My new lover was wanking me as we kissed and I squeezed one of her large tits through her satin bra as Anita noisily sucked on the man's big, thick prick. He reached over and began to play with my new partner's arse, which seemed to trigger something in her as she pulled me by the cock towards her. Lifting one stiletto-booted foot up onto a chair, she wriggled my dick against her wet hairy snatch, trying to push it inside her while the other guy continued to finger her bum from behind. Another girl had moved in on Anita by now and was slurping at her slit as she crouched in front of her swarthy, well-hung stud.

Suddenly my meat disappeared up the MILF's well-oiled gash and I could actually feel the other guy's fingers pumping her arse through the walls of her fanny. I gripped her large knockers and started chewing on her teats as Anita came with a muffled yell in the girl's mouth, her cheeks still bulging with dick. Her bloke

had decided to concentrate on my girlfriend by now, and it was a real turn on to see him grip her head, fucking her hard and fast in the mouth while the brunette who had sucked her off wriggled beneath her until she was able to lick his bollocks as Anita gave him head. The woman I was fucking stuffed her hand between our bodies and frantically rubbed her clit, causing her cunt muscles to pulse around my meat as she came. She may have been older than Anita but her love tunnel clenched my prick like a vice as she orgasmed on me.

I was desperate to unload by now, and Anita's new pal had obviously had the same idea, as he dragged his saliva coated dick from her mouth and, with a deep growl, began to squirt thick white seed over my babe's face and the upturned face of the girl who'd been sucking his balls.

I slipped my own cock out of the gooey hole I'd been humping and she helpfully pointed my tool at my girlfriend. The other guy's spunk was literally dripping off Anita's chin as my first jet of jizz fired down her cheek. Anita began to snog the girl beneath her as I sprayed them both with come, the sticky goo dribbling out of their mouths as they kissed.

A couple of other blokes were already moving in on the sperm splattered Anita and her hot lezzie pal as I fondled the cunt I'd just screwed and waited for my next erection.

Anita had six different dicks that night and I had more pussy than I can remember, but as we headed home in the car, spunk oozing from Anita's hole and forming a sticky puddle on the seat, we were already looking forward to the next one.

THE STATE OF GRACE

Dear *Mayfair*,

I don't really fancy many women (and by that, I mean that it takes a special kind of woman to attract me) but Grace at work instantly caught my eye. She had beautiful auburn hair, a pretty upturned nose and the sexiest laugh I've ever heard. Plus, her figure was the sort that I wanked over in my teens – long, long legs and pert little tits. And we got on like a house on fire, too, but we'd just never gotten round to actually hooking up. So I was gutted when she got another job and left the company. I kicked myself for not asking her out, or at least getting her number – and Facebook seemed a bit impersonal to ask a friend out on a date!

Then, one Friday evening, as I was driving home from work and I saw her unmistakable legs and glorious arse walking along ahead of me. I pulled up, feeling like some kind of kerb-crawler, but as soon as she saw me her face lit up and she cheekily asked me for a lift home. Even better than that, when I dropped her off after a really nice catch-up she asked me to come in.

I thought we'd just have a polite coffee at the kitchen table or something, but Grace seemed happy that I was there, ushering me into the lounge opening me a beer and throwing a takeaway menu in front of me. I must have looked surprised, because Grace laughed, "Well, I assume you're not going anywhere as we have a lot of time to make up for," she said, looking me straight in the eye, before adding, "Plus, I'm sure you haven't eaten yet?"

Two beers, a Chinese takeaway and a whole lot of flirting later, she asked me why I'd never asked her out, saying that she'd given me enough come-ons. "Because I'm a fucking idiot?" I said, only half-joking. She laughed and the next thing I knew we were kissing, tentatively at first but then more and more passionately.

As the intensity and lust increased, Grace suddenly straddled me, pushing her boobs into my chest as she snogged me, before saying sexily, "Well, it's not like you can drive home now that you've been drinking..."

Ramming my tongue in her mouth, I grabbed hold of her tits, squeezing them and rubbing her nipples with my thumbs. I felt her reach behind and undo her bra, so I slid them up inside her top and fondled them some more, sucking on the nipples as she pulled off her clothes, moaning and grinding into my crotch. I was in heaven!

I moved my hands around her arse, cupping her tight cheeks through her jeans. I couldn't wait to see her rounded buttocks in the flesh – I'd been fantasizing about them for years and now I

Here at *Mayfair* we like to feature the hottest babes from all across the British Isles, but of course sometimes you find the finest things right on your own doorstep, and luscious London lovely Jasmine Webb's the perfect example! Rather staggeringly, she's been modelling for a full 10 years or so already, which doesn't really seem possible looking at her – and we spent plenty of time doing that when she came in for this shoot! A curvy beauty in a topless corset – perhaps there are better ways to kick of an issue of *Mayfair*, but I'm buggered if I can think of one right now!

M

was about to actually feel them!

Her jeans were too tight for me to get my hands inside easily, so Grace stood up before me and made a show of taking them off; bending over and peeling them down over her peachy bum and to the floor – a sight that got my hard-on twitching. Grace commented that my pants looked way too tight for my “huge bulge”, so she unzipped my trousers and began tugging them down while I rubbed her snatch through her silky knickers.

The gusset of them was soaking, making my dick throb with the anticipation of not only viewing Grace’s pussy for the first time, but also plunging my engorged length deep inside it. It was just as I was having this particular thought that Grace pulled my pants down to reveal my hard-on. My cock-head was dribbling with pre-come and my need to fuck this gorgeous creature intensified when she scooped some up with her finger before licking it off, shutting her eyes as she savoured the taste. Then she bent her head towards my crotch and closing her mouth around my bell-end, tonguing my tip to suck the rest up. She had the most fantastic full lips, and they felt so soft but firm around my shaft.

**SHE RODE ME HARD,
AND THE SIGHT OF HER
BOOBS JIGGLING IN MY
FACE IS ONE I’LL NEVER
FORGET...**

She built up a rhythm quickly and it felt amazing. I could have easily let myself come in her mouth, but I knew she had other things in mind. Just as I started to feel the pleasure really build, she pulled away and straddled me again. Guiding my hand to her dripping wet pussy, there was no doubt what she wanted as she pushed my fingers right inside her. As she then began to wank me, I fingered her furiously, but I knew it would take more to satisfy her.

I wasn’t wrong – as she became more turned on she became more wanton, shifting about on top of me until she started using my helmet to frig her clit. I pulled my fingers out, wiping them against her tits, and no sooner had I done that than she had my cock against her slippery hole and her pussy swallowed it whole.

She rode me hard and the sight of her boobs jiggling in my face was one I’ll never forget. Especially when she climaxed – I held her hips and fucked up into her, slamming my prick inside her spasming cunt, her tits bouncing with every thrust as she moaned and groaned.

I felt myself getting close and as Grace’s orgasm reached its peak, her nails raking my back and heels pumping away up against my arse. I couldn’t hold back any longer and I came, flooding her cooze with my sticky seed.

CALIFORNIA DREAMING!

Dear *Mayfair*,

I heartily agree with whoever wrote the copy to accompany the photos of the stunning Nicole Aniston this issue (53.05) – she really is the ideal of Californian womanhood! I defy any of your readers to think of a more enviable situation than returning to your sun-kissed villa to find Nicole stretched out on the balcony, her neatly-trimmed pussy all pink and inviting! Go on – anyone?! Please pass my heartfelt thanks on to Nicole herself and to the photographer Tammy Sands for capturing her beauty so magnificently! Needless to say, this is one issue I’ll be hanging on to for a very long time!

Martin, Barry.

We fucked for most of the night and it was absolutely fantastic. We are on the same wavelength sexually and she turns me on more than any woman I’ve ever been with before. We’re still together 10 months later and I honestly can’t believe how dirty she is. She’s opened my mind to so many new things – including remote controlled love-eggs (and yes, I do have

control of the remote!), pegging and filming ourselves, amongst many other things! We’ve also started fantasizing about bringing another person into the bedroom and it may well happen in the future, but for now I’m quite happy exploring the mind-blowing sex I’m having with the girl of my dreams!

You know when your sitting there doing something at, say, 2 o'clock and then you look up and all of a sudden it's 6.30? Well imagine this – you put a full set of the gorgeous Sabrina Maree in *Mayfair* and, a little while later you think, “Hmm, it's about time we had her in again,” and you look at the clock and realise that four whole years have passed! It's a bit unsettling, but that's exactly what the Ed's done here! So here's an apology to all our readers for leaving it so long, and to Sabrina herself!

“Oh, it's OK – I don't really do much adult modelling any more, so it's not like I've been desperately trying to bang your door down. I wonder how many of your readers will remember me from 2014, though – do you think it'll be many?”

How could anyone forget, Sabrina?!

Well it's been rather too long since we last featured the stunning Samantha Saint, but seeing as girls this pretty don't come along that often, it's probably only fair we ration you a bit! But word has reached our ear that Samantha might be ducking out of the glamour business before much longer – tell us it ain't so!

“Hmm, well a girl can't go on for ever, can she? Just recently I've started to think I'm more or less ready to settle down. It's just a case of finding the right guy, really...”

We're sure there's someone out there who'd fit the bill. Tell you what – I might even be prepared to consider it myself. No? Bugger!”

Puzzled, the expert returns to the headphones and once again begins to

"Excuse me," he says, "As I mentioned before, I am a renowned expert in the sounds of wasps and I have to say again, there are no wasp sounds with which I am familiar on this record. Are you sure I have been listening to the correct recording?"

Slightly exasperated by now, the young man checks the disc currently playing and with a slightly sheepish grin confesses:

"Oops, sorry sir, I seem to have played you the Bee side."

An old man was sitting on a bench in the park. A young man walked up to the bench and sat down. He had spiky hair all different colours - green, red, blue, and yellow. The old man just stared.

The young man said, "What's the matter old timer, never done anything wild in your life?"

To which the old man replied, "Got drunk once and had sex with a parrot. I was just wondering if you might be my son."

A married couple are working in their garden, but then the wife goes indoors to take a shower. Her husband is looking for a rake and can't find it, so he yells up to his wife but she motions to him from the bedroom window that she can't hear him. So he

points to his eye, hits his knee and makes a raking motion to signify 'I need the rake'.

After a moment's thought she responds by pointing to her eye, grabbing her left breast, slapping her bum, then rubbing her pussy. The man is confused so he makes a baffled sign.

She goes through the elaborate procedure again, but he's still none the wiser, so eventually he walks back to the house and the house asks what she means.

His wife yells back, "Eye left tit behind the bush!"

"Damn! Won't she ever let me forget?!"

when mummy and daddy balloons are asleep baby balloon tries to squeeze himself into bed with mummy and daddy, but there is no room. So he decides to release some air out of mummy balloon, but still no room. He then releases some air from daddy balloon but there is still no room. So he then releases some air from himself, which allows enough room for him to snuggle in bed between his mummy and daddy.

In the morning daddy balloon isn't impressed. "What did I tell you? You had to sleep in your own bed, you've been very naughty. You've let your mum down, you've

A few seconds later the expert in the sounds of wasps is standing with a pair of headphones on and a puzzled expression on his face. He removes the headphones, walks back to the counter and says, "I'm a world renowned expert in the sounds of wasps and I must say, there appears to be some mistake. There are no wasp sounds with which I am familiar on this record."

The young man dutifully checks the recording in question and assures the

CUMLESS

CAST: Anna Foxxx, Britney Amber, Mary Moody, Syren De Mer.

Surely there's never been a better time to make a porno parody of 1995's Jane Austen homage *Clueless*, right? The fact that it's 23 years old means that there's been plenty of time for fans who fancy a tug over a porno version have had plenty of time to save up and now... boosh, it's time to cash in! Anna, Britney and Mary play 3 self-obsessed valley girl types who have little better to do than hang out with other beautiful people and, well, fuck them. To prove the point Anna gets the hump when she suspects her fella's been playing away because she won't put out and so... she puts out. A fantastically gurgly BJ on the sofa's followed up with a pussy pounding in just about all the positions you'd require, with Anna's dusky face looking cracking once it's been splattered in goo. Anna's indulging in some lesbo fun with Mary and

Britney next, with loads of oral action along the way, and then it's mumsy Syren's turn to get in on the fun following the sort of prank that sees her get thoroughly impaled fore and aft on Tommy Gunn's ever-ready pole. Finally scrummy Britney gets some cock action, and it's well worth the wait. Cumless she ain't, so who cares about the odd timing of this release? Available from your local sex shop.

SUPER NATURALS

CAST: Nia Nacci, Isabella Nice, Devon Green, Emma Hix, Brooke Karter.

Oh gawd - not another bleedin' superhero pastiche, surely? There's only so many times a month I can sit through a film that sees one scene after another in which Spiderman duffs one up Wonderwoman, out the Green Lantern and Wolverine double-team Batgirl! Oh, hang on though - there doesn't appear to be any of that sort of thing going on here at all - the things that are both super and natural are the girls' boobs! Well, that's more like it! After a rather sophisticated French theme tune we meet the gorgeous Nia, who wordlessly spreads her legs so that Tommy Gunn can give her a rub through her panties. Some mutual nosing follows before he rubbers up and the young hussy hops on for a cracking cowgirl. Oddly, he doesn't really seem to come at the end, but otherwise it's a top opener, and four other naturally-norked sploshers follow in relatively quick succession. Fans of skinnier girls will doubtless go for blonde Emma Hix (that's her on the left), but for me Brooke's probably the best of the rest after Nia.

New Sensations

HOT WIFE BOUND 3

CAST: Karlee Grey, Alix Lovell, Candice Dare, Giselle Palmer.

OK, so I've missed the first two instalments in this range, but I pride myself on being able to pick up the gist of things in most scud flicks I see, and it's soon pretty clear that what we have here is some very nicely produced scruff for those couples out there who've got a bit of a hard spot for the whole Shades of Grey thing. Horny Karlee founds herself lashed to a post in her nicely appointed gaff and has her boobs lightly whipped by bad boy Xander. He pops the whip in her mush for a while before

deciding that it'd be altogether more fun for all concerned if it was his cock in there instead, and Karlee clearly agrees, giving it a right old slurp before we get to the 'ball' of 'ball and

chain' bit. Still handcuffed to the post she lowers her furry snizz first onto his tongue, then his pole for a corking cowgirl shafting. Blonde Candice, meanwhile, gets her pussy paddled and her perky nips tied up courtesy of Ramon, who certainly knows how to float her boat. They bang away like mad before the cutie kneels for a no-nonsense tongue-basting. Alix and Giselle keep up the good work, the latter scene being a particularly hot one that's sure to please both halves of any sensible couple. Available from your local sex shop.

Hello - what's this? Another Babestation beauty beating a path to our door? Well we don't mind if we do, in that case! Aemelia Fox's first name might present a bit of a problem for any dyslexics out there, but there's no denying the fact that her surname hits the nail squarely on the head! While the London-based hottie's been wowing fans on the telly for a while now, she's new to this magazine lark, so we hope you'll make her feel at home and, who knows, maybe she'll get a little bit more candid with us next time round...

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I've never been poor, but I married well and now enjoy a certain level of lifestyle that I would say is somewhere between 'comfortable' and 'expensive'. This means I have no need to worry about money, of course, but it also means that the soirees I attend have elevated in stature.

The thing that most non-society people

I call my 'mini-adventures' that include a fumble in the cloakroom, a blow-job in the grounds and a fuck in the library. But it was last year's event that was my best yet.

It was held at a stately home in the Home Counties (I shall refrain from being more specific for fear of discovery), so most of the guests were staying at the venue

for the night. The stately home itself was incredibly opulent and my husband had booked us into a stunning suite with a sumptuous four-poster bed and a Jacuzzi bath. If I had been there with anyone but my boring, arrogant husband, I would have initiated a bit of hanky-panky in all areas of the spacious room, but alas I was not.

The gala itself was to be held at 6pm sharp and was to include a sit-down meal, with dancing and entertainment in the ballroom afterwards. A lavish affair, there was no expense spared at these events, which is why the limited tickets really are like gold dust.

Luckily, my husband is well bred enough to ensure our invitation every year.

I began getting ready at 3pm - well, a lady does not like to rush these things - while my husband was downstairs with his cronies. I ran myself a bath and pampered myself a bit before applying my make up, coiffing my hair and finally slipping into my

sexiest silk underwear, bought especially for the occasion. Studying my trim figure in the full-length mirror as I rubbed skin cream into my cleavage, I eventually stepped into my dazzling made-to-measure gown and couldn't help admiring my reflection. I had to admit I looked beautiful. And I knew the gentlemen I encountered that evening would not fail to notice, either.

At 5:30pm, my husband arrived at the suite and announced that we would be leaving in exactly 20 minutes. I was ready, of course,

and excited about the prospect of having my hungry pussy filled by a society cock.

The meal was, as expected, a grand affair. The seven courses perfectly prepared and enjoyed immensely - as was the free-flowing alcohol (mostly vintage wines, of course). I caught the eye of a dark-haired gentleman sat at the next table, who I found incredibly attractive and, by the way he kept glancing over at me, I suspected he felt the same. We exchanged a few subtle smiles and I had the sneaking suspicion that I would be sucking his dick before the night was through.

By the time coffee was served, and guests began to wander into the ballroom, the civilised dinner had turned into quite a drunken raucous occasion and that suited me just fine! I accompanied my husband to the second room, as was expected of me, but once he was so tipsy that he started becoming louder and more obsessed with the sound of his own voice I knew I would no longer be missed (this happened every time we went out), I slipped away to the bar in search of something a little more suited

to my selective taste.

I ordered a Kir Royale from the cute bartender - who was nice eye candy, sure, but nowhere near man enough for my needs. I was just taking a sip of my drink and pondering my next move, when I heard a sexy voice behind me say, "Mind if I join you?"

I turned around to find the dark-haired guy I'd been flirting from afar with over dinner. He introduced himself as Charlie. I smiled coyly and offered him my hand to shake, but instead he took it and kissed it gently, his lips lingering on my fingers just a touch longer than was perhaps necessary. A little shudder ran through my body and my pussy moistened as my lust for this

do not realize is that those of us fortunate to enjoy a lifestyle like we do are often bored and, as such, always on the look out for a bit of excitement or danger. And I seem to have a tendency to seek these thrills at social events - such as the Annual New Year's Eve Ball. For the last 3 years, I have managed to have a number of what

handsome man intensified. We made small talk for a while, but it was what was left unsaid that was the turn-on. Our body language was incredibly intense, our eyes never leaving each other, the chemistry between us palpable. So it wasn't a huge surprise when Charlie suggested we grab a bottle of Champers and take it up to his room.

I was about to mention my husband and the need for subtlety, when he handed me a key and told me to meet him in room 9 in 15 minutes. I grinned, taking it from him and leaving him to order our fizz.

By the time Charlie joined me in his room, I had removed my ballgown and was draped sexily across his queen-sized bed in my silky underwear. His eyes lit up as he closed the door behind him, wasting no time in stripping his tuxedo jacket off as he opened the Champagne. Handing me a glass and toasting "fun times", he hurriedly stripped down to his briefs and jumped onto the bed beside me.

I giggled as he pounced on me, kissing me passionately and hungrily, his hands groping me everywhere, making me feel like the

most desired woman alive. He began grinding his hips towards me and I gasped as I realized just how big his dick was. It was huge! My pussy dampened even more as my need to feel him inside me intensified. His hands wandered between my legs, cupping my warm crotch through the flimsy material of my knickers.

As I groaned, he pulled my gusset aside and pushed his fingers firmly inside me. I kissed him, my desire for his member obvious, and he reached down and pulled it out of his pants, rubbing it with his hand as he finger-fucked me. I was so turned on that I begged him to stick his big prick inside me. He obliged, pushing me onto my back and himself between my legs. Positioning his dick at my pussyhole, he made a cute little moaning noise as he pushed his way inside my tight tunnel.

My breathing ragged, I moaned as his tool filled me up entirely, stretching my cunny as he began to thrust, his pelvis finding a rhythm. He screwed me slowly at first, grabbing my tits to pinch and roll my nipples between his fingers – they were already sensitive from how turned on I was, and it felt like little sparks were travelling along a nerve directly to my clit. It felt fucking fantastic!

It wasn't long before we were both grunting like animals as he sawed in and out of me. It was so good, I knew I'd come quickly and I was right: as his balls rhythmically slapped against me, my orgasm welled up inside and I screamed and panted as my vaginal muscles contracted around his meaty cock. This spurred him on even more and he fucked me harder and faster than before, causing my climax to last longer than any I'd previously experienced.

As I wailed my way through my orgasm, Charlie started ramming in deeper with every thrust, until he was pummeling into me right down to the hilt. I felt his warm, moist breath against my neck as he nuzzled me with his stubbly chin, then suddenly he gasped and grunted and I felt him pull out quickly before a spray of hot jizz cascaded over on my inner thigh as he wanked every last drop over me.

"I MOANED AS HIS TOOL FILED ME UP ENTIRELY, STRETCHING MY CUNNY..."

We didn't hang about for any niceties afterwards, but simply tidied ourselves up and headed back downstairs. It filled a hole, so to speak, and I have now gone back to my 'little wife' role, as is expected. I am just looking forward to finding out what the next ball has in store for me!

I work in a call centre and recently some of my colleagues and I were sent away for a few days to a posh country hotel

"I LEANT CLOSER AND WRAPPED MY LIPS AROUND HIS BELL END. THEN I ENGULFED HIS ENTIRE LENGTH."

as part of a team building exercise. It all sounded nonsense, really, but it made a change from being in the office.

Anyway, the first morning was spent in one of the hotel's conference rooms with some middle-aged woman explaining what would be happening over the next

a map and compass in search of some meagre prize.

After about an hour of hopeless trampling through muddy fields I suggested we were lost. Callum agreed and said we should take a rest, so we found a clear bit of grass and sat down. "You don't say much, do you, Callum?" I said, finding this the ideal opportunity to learn more about him.

"Err, I suppose not," he bluntly replied.

"You're the strong silent type then," I remarked, trying to sustain the chat.

"No, it's just... well... erm," he stuttered.

"I get intimidated by beautiful woman, and never know what to say to them."

"What?" I began, before realising he was

I engulfed his entire length until my mouth couldn't take anymore.

I QUICKLY WHISKED OFF MY MUDDY JEANS. STRADDLING CALLUM, I BEGAN TO SLOWLY LOWER MYSELF ONTO HIM...

Pulling my head slowly back and forth, I gave Callum one of the best oral performances I have ever given a man. Occasionally I would release his cock from the vice-like grip my mouth had around it and I would let my tongue explore the

couple of days and basically getting us comfortable with each other. Having been at the company for some time I knew most of my colleagues in a social sense but a few of the recent employees were yet to make that transition from work to play. Callum in particular.

Callum had only been with us for a month and while he looked the part with his tall, athletic frame and modest good looks, he didn't really talk much. All this changed in the afternoon though.

We had been split into pairs and sent outdoors on an orienteering exercise. I was placed with Callum and off we went with

paying me a compliment. I looked at him for a few minutes, before deciding to take the bull by the horns.

"Maybe this will open you up," I said leaning over him and unzipping his flies.

I pushed my hand into his trousers and sought out his flaccid cock. No sooner had I grabbed it, I could feel the blood swelling and with some gentle tugging I'd soon enticed a raging hard prick in to the open.

Callum looked at me but no longer was he sporting his shy demeanour – with a confident nod he ordered me to suck him off. So I did. I leant closer and wrapped my lips around his bell end. Then very slowly

veiny exterior of his shaft.

Callum placed his hand on the back of my head and pushed gently so that I would keep on sucking him. I complied for a while but then decided it was my turn for a bit of pleasure.

I stood up and quickly whisked off my muddy jeans. Straddling Callum, I began to slowly lower myself upon him. Then when I

was just inches above his upright prick he pulled my knickers to one side so that his tip could touch the entrance to my hole.

With one swift move I slid on to his cock and soon had the full length buried inside my wanton gash. I began to rock back and forth, finding the angle that pleased me most.

By this time Callum had grabbed my waist and was helping me ride him. I could have kept going for ages, but sensing that he was going to come soon, he begged me to sit on his face. I happily obliged, standing up, turning round and lowering my now sopping cunt over his mouth.

I felt his tongue dart up and lap away excitedly at my folds while he pulled my bum cheeks apart with his hands. His prick was still firm so I took it back in my mouth.

We noshed away on each other in the 69 position and admittedly I was the first to climax. Callum's tongue drove me to new heights of pleasure and I rewarded him with a flood of my succulent juices.

A few minutes later I was rewarded with a

mouthful of streaming hot semen. Callum hadn't let up on tonguing my groove so I continued to slurp at his come covered prick until it was dry.

When we eventually broke free from each other I looked at Callum with complete amazement, but total gratification.

**"I GAVE CALLUM ONE
OF THE BEST ORAL
PERFORMANCES I HAVE

We made haste in getting back to the orienteering task and I don't think I need to tell you that one hotel bed remained empty that night!

Hands up if you reckon we ought to feature another stunning newcomer. Ahem, both hands, if you don't mind! OK, well that's settled then – in which case allow us to present Lucy, a sizzling 21 year old babe from Northants who made rather an impression when she rolled up for this shoot last month. Piercing blue eyes, two sets of extremely kissable lips and a perky body all mark her out as just the sort of girl we love here at *Mayfair*, so we're sure you'll show her just the right amount of appreciation - especially as she's only just started dipping her shapely toe into the world of modelling.

□□□□□□□□

Curvy Carla Howe's quite the international playgirl these days, jetting off all over the place for shoots, so we were pretty chuffed she managed to fit us in on one of her recent trips home to Blighty. But what does she miss most from home when she's away, we wondered...?

"Oh, loads of things! For example I hardly ever go to the chippie when I'm in England, but when I'm away I just seem to crave fish and chips all the time!"

Well it goes to show – there really is no place like home!

SYBIL

Age: 23 Vital Stats: 34C-27-33 5'6"
Photographer: Dazglam

When Sybil first shot for us we were treated to a little lesson on the divination habits of the ancient Romans, and while that was all very interesting, most of the letters we've received about her since then have tended to concentrated more on her lovely bod and slightly retro muff arrangement, begging us, on account of both, to get her back in the magazine sooner rather than later. Well your wish is our command, so here she is! And this time round we won't go on about her slightly unusual name – let's just feast our eyes on her spectacular body instead, 'cos it sure ain't Fawty!

MARILYN

**PHOTOGRAPHS BY
BASIL CRAWFORD-SMITH**

Are you sitting comfortably? Well, Marilyn Peters, our flirty 20-year-old, wants to tell you a dirty story... "I was in bed the other night, dozing off and thinking naughty thoughts about nipples, knobs and snatches, and pressing my little love-button, when the bedroom door opened and in walked my flat-mate, Laura.

"I peeped out from behind the pillow and saw that she was naked, her lovely boobs bobbing slightly as she moved. I'd only ever seen Laura naked in the bath and the sight of her firm, pale flesh made my crotch ache to be played with. Laura obviously thought I was asleep as I watched her sit on the end of the bed and fondle herself. She started with her nipples, rolling them between her fingers till I could see they were rock-hard; then stroking down her flat tummy to her sparse, downey pubes between her legs.

"I could hardly believe my eyes as Laura spread her thighs, popped first one, then two fingers

into her soft pussy, and came all over her hand! Then, without a word, Laura got up and tip-toed out of the room, leaving the smell of sex hanging thickly in the air. I was in a state of sexy shock and more turned-on than I had been for ages.

"I lay there for a while frigging myself off as I went over this strange event in my mind and eventually I came to the conclusion that Laura fancied me and really wanted to fuck me, but didn't have the nerve to say so to my face.

"Now I'm taking this opportunity to say to my lovely Laura, through *Mayfair*, that I'd love you to have me. So the next time you sneak into my bedroom to masturbate in front of me, wake me up and I'll do it for you. Believe me, sex is much more fun with two!" Here's to a happy ending, Marilyn! **M**

MAYFAIR Classic

Marilyn Peters must have caused quite a kerfuffle when she started posing for *Mayfair*, because after appearing in Volume 27 Issue 2 they got her straight back in for issue 3 as well. Mind you, you can't really blame then Editor Stephen Beach for that, can you – she's quite something! Other highlights of that particular issue included a piece purporting to be by Jonathon Ross in which he claims to be a better wanker than Michael Aspel. Blimey, those were the days, eh?

MAYFAIR

Vol.56 No.01

On Sale March 3rd

Well there we are for another issue of the nation's top gentleman's periodical, but have no fear, because as soon as we've put this one to bed we'll start scouring the land for another cavalcade of cuties to shoot for the next issue. Talk about no rest for the wicked – sometimes I can't help wondering if things would be a lot more restful if we weren't quite so wicked here at *Mayfair*... but then again, that wouldn't be much fun, would it? Nope, it's heads down for some more naughty toil for us, all so that you lot can feast your eyes on the likes of Ella and Lia!
